BEING 18

Director(s): Frédérique POLLET ROUYER

Writer(s): Frédérique POLLET ROUYER

Reaching her eighteenth birthday has brought on mixed feelings for Morgane. She expériences an extraordinary sense of freedom, but at the same time, she feels nostalgic as she leaves childhood behind...as well as the hope of one day being able to rely on her mother.

Morgane feels resentment and sadness. She is very hard on herself. At the same time, she has only one desire; to move forward with her life.
