COP21 - CLIMATE UNDER INFLUENCE

Director(s): Jean-Philippe URBACH

Writer(s): Jean-Philippe URBACH

Broadcast on France 5 on Nov. 30th, 2015:

The COP21 - The United Nations Conference on Climate Change - in Paris (30 Nov. to 11 December 2015) has been getting worldwide media attention.

We're looking at the issues of this conference and what is at stake regarding climate change today. Together with scientist and polar explorer Jean-Louis Etienne and philosopher Bruno Latour, our investigator went in search of answers. Today, the risks of climate change are well known, but how to make citizens and politicians better aware of the dangers?
How to rethink the negotiations on the climate issue so that they have a real chance to succeed?
