03. INCEST OR THE LAW OF SILENCE

Director(s): Eve VANDERSTEGEN

Writer(s): Eve VANDERSTEGEN

In 2021, 6 million French people had been victims of incest. This terrifying figure is multiplied by two if we take into account all the victims of sexual violence against minors. How is this affecting all the young victims who remain silent?

How to denounce sexual abuse when you are too young to put it into words? And to make it worse, what if they were also deaf? Based on the testimonies of two adults, a man and a woman, who are dealing today with the pain of their experience, we analyse various questions related to incest with experts who accompany the victims through such a process.
