09. L'OEIL ET LA MAIN ESCAPES TO MARSEILLE

Director(s): Jean-Philippe URBACH

Writer(s): Jean-Philippe URBACH

In a sort of "tv cross-over", the team of "LOeil et la Main" invite TV host Sophie Jovillard to come and re-discover in a new light a city she knows well: Marseille!
She is quite an explorer and is happy to meet deaf people who live there and take her to see different facets of the famous city.

The history and strong culture of Marseille are reminiscent of the strength of this linguistic minority which is still struggling to find its place in society. In the wake of Sophie's show "Echappées belles" (beautiful escapades), the team of "L'oeil et la main" operate their own escape to this maritime city that is open to the world...where sign language is also spoken!
