10. WHAT WE CAN DO FOR OUR PLANET

Director(s): Clara BOUFFARTIGUE

Writer(s): Clara BOUFFARTIGUE

Our planet is in bad shape. That much is evident judging by the flood of news we receive daily on the topic.

While some feel helpless in the face of this catastrophe in waiting, others decide to act as best they can.
Juliette collects waste wherever she finds it littering nature, Adeline makes her own products for her daily use while Aurélie has opted for minimalism. Nicolas and Solenne practice zero waste and try to educate their children in this spirit, Laure has just completed the construction of her energy-independent house.
Which ideals are our characters pursuing, what is the driving force behind their ecological commitment?
