02. JEAN-YVES AUGROS, OUTSIDE THE BOX

Director(s): Alexandra MASBOU

Writer(s): Alexandra MASBOU

Jean-Yves Augros is a discreet and yet well-known figure in the deaf community: an actor, sign language teacher, author of his own shows, photographer... For a year and a half, he has been posting videos daily where he portrays a comical character who makes fun of the deaf as well as of himself, to the delight of his followers...

We set off to the Tarn region in France to discover his eclectic universe in his "home-museum" which reveals all his passions. He recalls various stages of his life for us by giving us an offbeat and typically deaf outlook on today's world.
An encounter that demonstrates the many facets of deaf culture, its rich diversity of profiles and characters.
