

PACT WITH THE DEVIL

Director(s): Steve BAUMANN

Writer(s): Fabrizio CALVI

Have the Allies signed a « PACT WITH THE DEVIL » during and after WWII ? Proof is delivered by the devastating testimony of the research director of the Eizenstat commission, investigating relations between American Banks and Nazi Germany. Some of these banks made a fortune from victims of the holocaust, and try to keep the whole affair well buried... even 60 years later. A captivating investigation into to the heart of the archives of the American secret service. Many of the documents in this film have never been shown before and will cast doubt on what we thought we knew
