Continuing our collection "A Day in...Europe".
Italy, a territory shaped by an incredibly diverse historical heritage. With an urban and industrial North and the South, arid and disadvantaged, Italy is a country of contrasts.
The view from the sky reveals the extraordinary beauty and variety of Mediterranean landscapes. But the country also faces constant threats of earthquakes and volcanic eruptions.
We'll take 24 hours in the life of the country to discover how Italy and its people face its challenges and prepares for its future.

The film is accompanied by a 5 x 26' history series. Click here to discover "ITALY, HISTORY SEEN FROM ABOVE.
