

PARENTS ABOVE ALL!

Director(s): Clara BOUFFARTIGUE

Writer(s): Sandrine HERMAN, Clara BOUFFARTIGUE

For the purpose of this particular film, "L'oeil et la main" prepares a special programme by taking over the set of weekly child care magazine "Maison des Maternelles" in order to explore some of the fundamentals in terms of parenthood.

In families affected by deafness, parents are also confronted with many educational questions and find they way by trial and error.
Sandrine Herman hosts the discussions between the families and the expert Plaza Onate, a clinical psychologist, who helps us understand how deafness impacts the very essence of parenthood.
