Director(s): Veronique BERTHONNEAU

Writer(s): Véronique BERTHONNEAU

“One is not born a woman, one becomes one” wrote Simone de Beauvoir. Is it the same for men?

How can we ensure that girls and boys are brought up without creating a hierarchy between female so as to prevent sexist behaviour in the future?

Two moms, Laurène and Kim, are wondering how to educate their boys without sexism. The author Alexis Dussaix speaks of the harassment he suffered because he did not meet the norm for boys his age. Aurélia Blanc, a hearing feminist, sheds a sociological light by analysing for us the mechanisms behind the creation of gender inequalities.
