

AMOURS PROPRES (LOVE PROTECTED)

Director(s): Estelle ROBIN YOU

Writer(s): Estelle ROBIN YOU

In the French town of Nantes, a team from «Médecins du monde» (Doctors of the World) runs a small support structure that comes to the aid of the city's prostitutes.

"Amours Propres" is a true encounter, an opportunity to think about the meaning of self esteem - ('amour propre' in French). It captures difficult situations just as much as moments of hope and shared laughter.

A film that offers an immersion into an environment shrouded in secrecy due to the weight of social taboos and prejudices.
