

TWELVE TIMES A YEAR!

Director(s): Veronique BERTHONNEAU

Writer(s): Véronique BERTHONNEAU

The monthly visitor, time of the month, lady business... So many obscure expressions in order not to say what affects 1.7 billion women all over the world, twelve times a year, 2500 days of a woman's life: having your period!

So now, women engage in the field of the arts, on the Internet or in discussion groups, so that they can talk openly so that this topic becomes what it should be: just a normal topic of conversation. Sandrine Herman goes to meet them, listening to the experience of women and men.

Together, she'd like to break the taboo, so that women can finally reconcile themselves with their period and their femininity.
