

01. TEENAGE NOTEBOOKS

Director(s): Sophie TRINIAC

Writer(s): Sophie TRINIAC

Six teenagers communicating in sign language participate in a photographic writing workshop on their relationship with their parents.
The filmmaker and photographer Sophie Triniac, who runs this workshop, has indeed observed that photography, as an "object" that lies outside oneself, helps to put words on thoughts.

Following these teens in the creation of their autobiographical notebook, we witness the emergence of an intimate and free speech, which usually does not occur so easily in early adulthood.
