

# 02. A BREATH OF FRESH AIR

## Director(s): Safia HADJHADJEBA

## Writer(s): Safia HADJHADJEBA

Hugo is nineteen and he is autistic. He does not speak... he never has. His daily life plays out between the institute and his family.
He is a tall young man and can be rather impressive. Particularly as he is prone to release his held-back emotions rather violently when he feels uncomfortable. Hugo wants to exist in life.
Four years ago, he met Sandrine Herman, a deaf art therapist, who communicates with him in sign language. Sandrine's different approach and their privileged relationship offer new horizons to Hugo and maybe the possibility to reveal his true self...
