

13. SCHOOL OF POSSIBILITIES

Director(s): Alexandra MASBOU

Writer(s): Alexandra MASBOU

Are you ready to pack your school bag to attend the only bilingual class in Paris?
In this class of the Turenne public school, all subjects are taught to deaf children in sign language. A situation which at first sight seems perfectly ordinary, but which is in fact very rare in France. What kind of teaching do these nine deaf children benefit from in this school? How do deaf and hearing students get on together?

We share a moment with these deaf children who simply enjoy the pleasure of learning thanks to having found a place of learning like other school children!
