

## 24. LIFE'S DRAWING BOARDS

**Director(s): Clara BOUFFARTIGUE**

**Writer(s): Clara BOUFFARTIGUE**

The French Ministry of Culture has declared 2020 the year of comic strips. For deaf people, though, comics which are highly visual and thus universal are not only in the spotlight in 2020. For many of them, comics make up their entire library!

How important are comics really to them? Let's discover the world of three comic book creators: Sandrine Allier-Guepin, passionately committed to deaf history, Dhafer who is specializing in manga and Nikesco, who expresses himself best through his drawings.

How did they come to devote their life to comics? What is their relationship with their publishers, what about their influence or their inspiration?

As we look through the pages of their work, it is their relationship to others and to the world that emerges.
