

06. CHILD FREE

Director(s): Delphine LABES

Writer(s): Delphine LABES

More and more women and men are reluctant to bring children into the world of tomorrow. Nevertheless, women who do not want to become a mother are often misunderstood.

Muriel, 38, from Toulouse, works with children but never wanted to have any. Céline, a 32-year-old Parisian, fully invested in her work and loving her freedom, is considering permanent sterilization.

Can you be fulfilled as a woman without giving birth? Is not wanting a child a serious condition?
